I hereby certify that this correspondence is being deposited  
as first-class mail in an envelope addressed to the Com-  
missioner of Patents, Washington DC 20231 on

December 14, 2005.

Sir:

Responsive to the Advisory  
Action of November 15, please  
amend this application as follows. A petition for one-month  
extension of time is appended.

PLEASE NOTE: The reply deadline is actually November 15.  
The period for reply as stated in the Advisory Action appears  
to be incorrect, as box 1.b) should have been checked. Appli-  
cants replied to the Final Rejection before the two-month date  
and therefore are entitled to the provisions of checkbox 1.b).

Applicants attach hereto a true copy of their acknowledgment card showing receipt in the PTO on September 30, which was only two days past the two-month date after the July 28 Final Rejection. Also, here is the Postal Service record of both mailing and receipt of Applicants' September 27 response:
